

Marine Science in WA 2010 Show-&-Tell

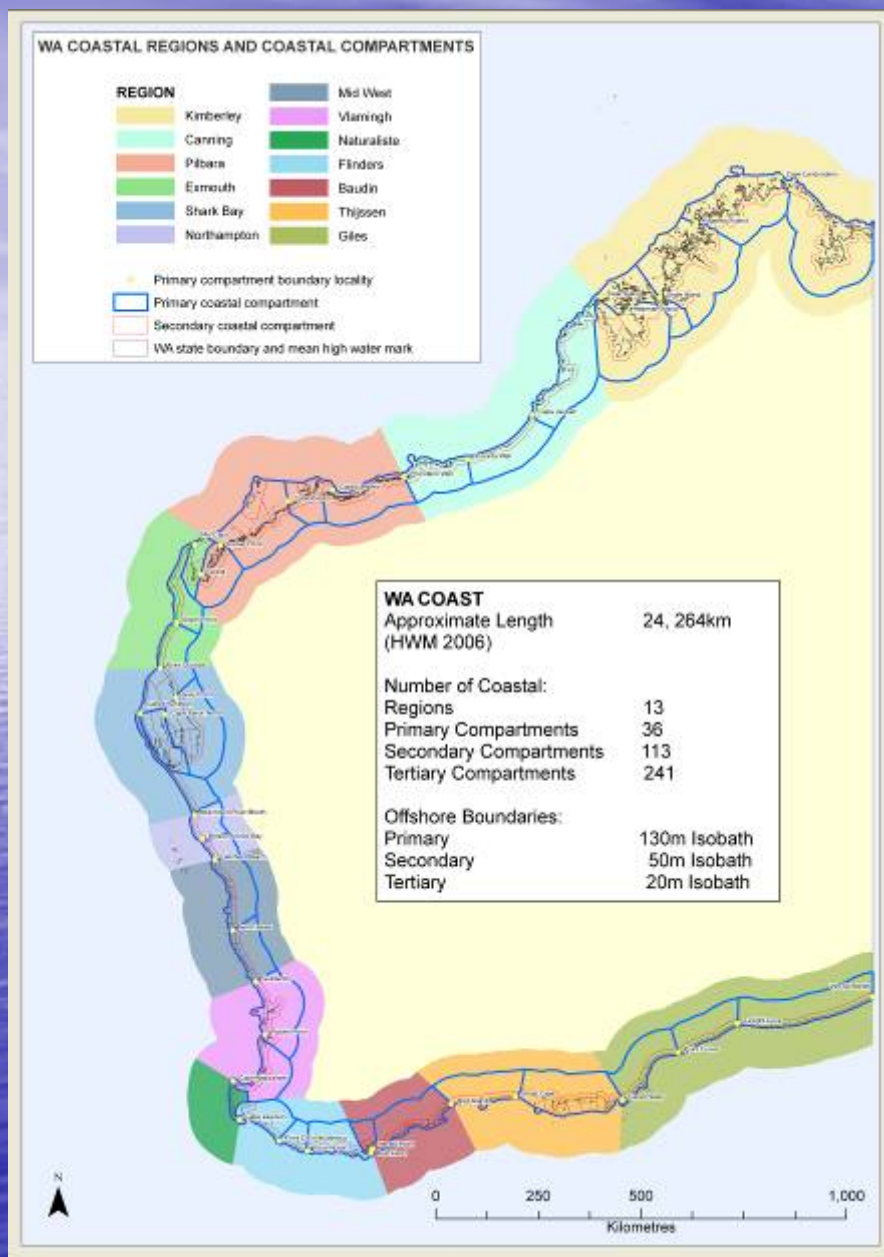

Name: Chris Nutt

Affiliation: Department of Environment and Conservation

Newsflash title: Western Australian coastal compartments mapping

WESTERN AUSTRALIAN COASTAL COMPARTMENTS MAPPING PROJECT

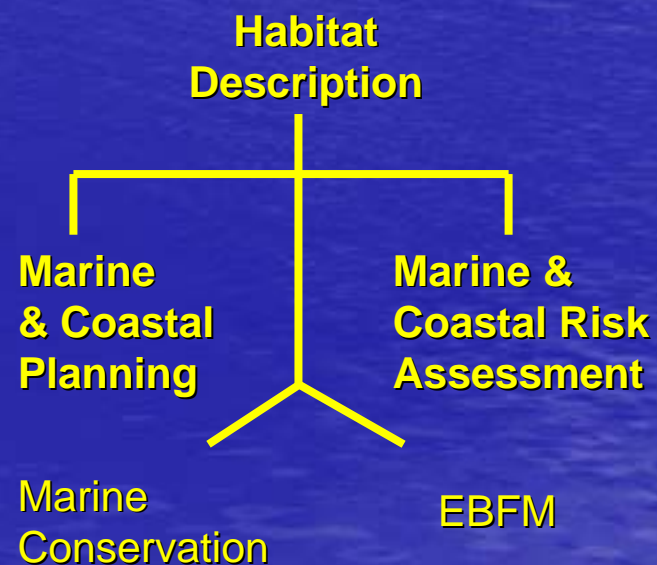

MARINE PLANNING & MANAGEMENT

The aims of the project are to:

- Identify a hierarchy of planning & management units based on natural coastal systems
- The marine and coastal planning units should approximately accord with mapping scales commonly used for preparation of statutory plans.

POTENTIAL APPLICATIONS of COMPARTMENTS & CELLS

Acknowledgments: Western Australian Planning Commission; Dept of Transport; Dept of Planning; and Dept of Environment and Conservation
